

*Woven by Waters –
a six month
‘Down-under Spiritual Sabbatical’.*

What does it mean 2017 for us individually and collectively to experience and live fully in Aotearoa? During this six month ‘sabbatical’ we’ll explore the River under the river... We’ll relook at what we believe, reflect on what we experience, reconfirm what we know to be true for ourselves and recommit to a personal ‘spiritual rule’ that is a holy encounter with the deepest wellsprings of our own aliveness. We’ll be encouraged by many New Zealand mystics, including Suzanne Aubert who said *‘our life should combine the life of Martha and Mary, walking arm in arm together and never separated’*.

This six month sabbatical will begin and end with a weekend retreat and in-between there will once a month spiritual companion sessions.
