

Webinar residential retreat with

Jim Finley

17th to 19th October 2020

Jim Finley was at Gethsemane Monastery during the 1960's and Thomas Merton was his Spiritual Companion. Jim has written some books about this including *Merton's Palace of Nowhere* and *The Contemplative Heart*.

Pat and Pip met Jim when undertaking the *Living School* programme run from the Centre of Action and Contemplation in the States and they'd like to share Jim's spiritual treasures with others. A webinar retreat makes this possible as Jim isn't able to travel this far. We hope to have Jim live at least once, some other teachings from him and particularly to practice what Jim's teachings point towards.

Final details are still in discussion but if this opportunity interests you please contact Pip
